Classroom teachers, counselors, coaches, and administrators will find 37 practical, easy-to-use lesson plans to empower teens with the strategies and skills they need to handle bullying situations. The lessons can be blended into existing curricula or taught as stand-alone activities. As part of a positive behavior support model, counselors, mentors and others who work with at-risk students can use the lessons to supplement secondary intervention efforts. Topics include how to identify the players (bullies, bystanders, and victims), how to respond to bullying in common areas (hallways and parking lots) and at school events (dances and athletic contests), and how to use social skills to change behaviors and attitudes. Educators can increase students' awareness about bullying behaviors, teach them problem solving and social skills, and encourage them to reflect on their own thoughts, words and actions. Quick tips on dealing with bullying problems are included for educators and other who work with teens. An enclosed CD allows making copies of the worksheets, handouts and social skill posters included in the lessons.

Keep students sharp and prevent learning loss with activities aligned to Common Core and other state standards in this second edition, full-color resource. Students risk falling behind at the start of a new school year without practicing skills learned in the previous year. This parent-involvement resource is designed to bridge the away-from-school gap with reading, writing, and mathematics activities that reinforce learning from fourth grade and prepare students for fifth grade. With clear instructions for quick and fun family activities, this is the perfect resource for parents to get involved in their child's education and set them up for a successful school year.

Keep students sharp and prevent learning loss with activities aligned to Common Core and other state standards in this second edition bilingual resource. Students risk falling behind at the start of a new school year without practicing skills learned in the previous year. This parent-involvement resource is designed to bridge the away-from-school gap with reading, writing, and mathematics activities that reinforce learning from fourth and prepare students for fifth grade. A 14-page introduction section for parents and instructions for each student activity are written in both English and Spanish to help parents get involved in their child's education. With quick and fun family activities, this is the perfect full-color resource to set students up for a successful school year.

What is The Bully Book? Part mystery, part tragedy, part comedy. Originally self-published as an ebook by a member of Team Starkid, The Bully Book is now available in hardcover, paperback, and ebook editions. The paperback includes a Q&A with the author. Eric Haskins, the new sixth-grade bully target, is searching for answers. And unlike many of us who experienced something awful growing up, he finds them. Though they may not be what he expected. When the author was eleven, he was bullied. This book is loosely based on incidents that happened to him in sixth grade. The Bully Book is a Top Ten Indie Next List pick of 2013, and Publishers Weekly called The Bully Book a "gripping debut novel."

Following on the success of her first book The Bully in the Book and in the Classroom, C. J. Bott has written this sequel to help those who work with children and young adults become familiar with books that address the problem of bullying. More Bullies in More Books presents over 350 annotated titles, from picture books to high school books, dealing with bullying. Chapters address specific bullying behaviors or problems: name calling, putdowns, and gossip; being new and different; body image; cliques, groups, and gangs; "lams"; homophobia; cyberspace; and violence. Each chapter begins with an introduction that describes the harassment seen most often in each grade level and contains relevant books at all reading levels. Every entry features an in-depth summary, activities, and quotes from the book for students to discuss. An important resource about a real and harmful problem, this book will be of interest to teachers, librarians, counselors, administrators, and parents.

Cool Things to Do If a Bully's Bugging You: 50 Classroom Activities to Help Elementary Students aims to help students facing bullying and other problems while they're actually experiencing them. The activities feature a multidisciplinary approach that encourages speaking, listening, reading, and writing activities to complement curricular goals in English/language arts and social studies. Principals, teachers and counselors will want to use this book in their bully prevention programs by involving children, parents, and the entire school family in their drive to create a bully-free school./span

Bully-Proofing Working With Victims and Bullies Book

Patricia Polacco takes on cliques and online bullying Lyla finds a great friend in Jamie on her first day of school, but when Lyla makes the cheerleading squad and a clique of popular girls invites her to join them, Jamie is left behind. Lyla knows bullying when she sees it, though, and when she sees the girls viciously teasing classmates on Facebook, including Jamie, she is smart enough to get out. But no one dumps these girls, and now they're out for revenge. Patricia Polacco has taken up the cause against bullies ever since Thank You, Mr. Falker, and her passion shines through in this powerful story of a girl who stands up for a friend.
