*Chemistry guide - IB Documents*

Chemistry students at SL and HL undertake a common core syllabus and a common internal assessment (IA) scheme. While there are core skills and activities common to both SL and HL, students at HL are required to study some topics in greater depth, to study additional topics and to study extension material of a more demanding nature in the options.

*Chemistry in the DP | International Baccalaureate ...*

The International Baccalaureate\u2122 (IB) Diploma Programme (DP) curriculum sets out the requirements for study of the DP. The curriculum is made up of the DP core and six subject groups. Made up of the three required components, the DP core aims to broaden students' educational experience and challenge them to apply their knowledge and skills.
