Hastings Distribution, LLC is the official retailer of Hastings Barrels and choke tubes. In addition, we offer parts and other accessories.

Hastings Distribution, LLC

That circuit is always unfused and you do not want to wire an electric choke to an unfused circuit. If it were to short out, it would just continue to burn and melt the entire time the ignition was turned to the “ on ” position because there would be no fuse to keep the circuit in check.

I need to wire an electric choke on my carburetor.
