NEW YORK TIMES BESTSELLER • Advice for graduates and reflections on staying true to yourself from the beloved Gilmore Girls actress and New York Times bestselling author of the memoir *Talking as Fast as I Can* and the novel *Someday, Someday, Maybe*. "If you're kicking yourself for not having accomplished all you should have by now, don't worry about it. Even without any 'big' accomplishments yet to your name, you are enough." In this expansion of the 2017 commencement speech she gave at her hometown Langley High, Lauren Graham, the beloved star of *Gilmore Girls* and *Parenthood*, reflects on growing up, pursuing your dreams, and living in the here and now. "Whatever path you choose, whatever career you decide to go after, the important thing is that you keep finding joy in what you're doing, especially when the joy isn't finding you." In her hilarious, relatable voice, Graham reminds us to be curious and compassionate, no matter where life takes us or what we've yet to achieve. Grounded and inspiring—and illustrated throughout with drawings by Graham herself—here is a comforting road map to a happy life. "I've had ups and downs. I've had successes and senior slumps. I've been the girl who has the lead, and the one who wished she had the bigger part. The truth? They don't feel that different from each other."

'Don't hurry, don't worry. And be sure to smell the flowers along the way.' Walter Hagen Life's too short to fret away your days - there's so much to celebrate, if only you take the time to notice it! Packed with upbeat sayings and carefree quotes, this little book will help you de-stress and see the lighter, brighter side of each and every day.

This collection of 100 essays contains strategies for achieving financial success by giving up stress, worry, anger and fear. Carlson takes the reader through the steps needed to create a more relaxed attitude to money and the ways that this can result in successful money-making ventures.

In the fall of 2013, while at a crossroads in life after a divorce, Aaron Lauritsen, did what many of us dream of doing but few ever will, he put his problems in the rearview mirror and headed out the door. After selling his business and all his possessions, he and his trusty K9 companion, Athena-bear, jumped in his Toyota pick-up truck, then ventured into the heart of North America for a road trip to end all road trips. Because he hoped that by getting lost out there he would somehow find himself again, he left without a plan or even a map, then for one hundred glorious days journeyed the continent carefree, via secondaries that were not only off the beaten track, but that were often all but forgot. On them he traversed some 30,000 zig-zagging miles through thirty eight of the lower forty eight states and seven of the ten Canadian provinces. And yielded in the process an untold number of encounters weaved by confronting personal fears, history, worldly cities, eccentric people and adventurous activities. The real prize afforded by the time, distance and space however, was his spiritual awakening. Follow along as he paints that epic voyage of discovery and experience the same unexpected serendipity that awaited them around each bend of the open road.

Alida Nugent graduated college with a degree in one hand and a drink in the other, eager to trade in parties and all-nighters for "the real world." But post-grad wasn't the glam life she imagined. Soon buried under a pile of bills, laundry, and three-dollar bottles of wine, it quickly became clear that she had no idea what she was doing. But hey, what twentysomething does? In *Don't Worry, It Gets Worse*, Nugent shares what it takes to make the awkward leap from undergrad to "mature and responsible adult that definitely never eats peanut butter straight from the jar and considers it a meal." From trying to find an apartment on the black hole otherwise known as Craigslist to the creative maneuvering needed to pay off student loans and still enjoy happy hour, Nugent documents the formative moments of being a twentysomething with a little

bit of snark and a lot of heart. Perfect for fans of HBO's *Girls* and Allie Brosh's *Hyperbole and a Half*, and based on her popular Tumblr blog *The Frenemy*, *Don't Worry, It Gets Worse* is a love note to boozin', bitchin' ladies everywhere.

When recently divorced Rob Kozak's eight-year-old son Bobby moves from Canada to Australia with his mother, Rob's entire life changes. But although his son is literally on the other side of the world, Rob soon discovers that the vast distance between them is not insurmountable. Originally started as a journal to help him cope with the loss as well as record the joys of yearly visits with his son, *Finding Fatherhood: Lessons Learned from Separation* is the story of how Rob managed to maintain a loving, involved relationship with Bobby, even at such a great distance. It is also a delightful chronicle of their adventures together over six extended Australian holidays. During the months he was away from Bobby, a period referred to as the "desert times," Rob reflected on and wrote about what it takes to be a good man and a good father until he could be back in the oasis of Bobby's company. Part memoir, part Australian adventure and part portrait of a touching and unbreakable bond between father and son that couldn't be severed by geography, *Finding Fatherhood* will inspire, bring comfort and offer hope to parents who are separated from their children.

Stop worrying and take the steps to a happier, more fulfilling life! Through Dale Carnegie's six-million-copy bestseller recently revised, millions of people have been helped to overcome the worry habit. Dale Carnegie offers a set of practical formulas you can put to work today. In our fast-paced world—formulas that will last a lifetime!
