Allie only feels comfortable when he's drawing comics in the atticbut soon his safe haven will be off limits Allie is perfectly content to spend his time drawing alone in the attic. Nobody bothers him, and he has his door sealed tight against interruption. Up under the roof, he illustrates amazing cartoon strips about heroes and space adventures, from |Super Caterpillar| to |Super Bird|even though his own life is anything but exciting. One day, Allie's mom calls him from the attic to tell him his older brother Bubba will be moving home and will take over the attic as his own apartment. Suddenly Allie's private world is turned inside out, and he'll need to find a new |home.|| even if that means spending time around his weird, argumentative family. This ebook features an illustrated biography of Betsy Byars including rare images from the authoris personal collection.

This comprehensive resource highlights the most recent practices and trends in blended learning from a global perspective and provides targeted information for specific blended learning situations. You'll find examples of learning options that combine face-to-face instruction with online learning in the workplace, more formal academic settings, and the military. Across these environments, the book focuses on real-world practices and includes contributors from a broad range of fields including trainers, consultants, professors, university presidents, distance-learning center directors, learning strategists and evangelists, general managers of learning, CEOs, chancellors, deans, and directors of global talent and organizational development. This diversity and breadth will help you understand the wide range of possibilities available when designing blended learning environments. Order your copy today!

Mark McCourt is a global authority on the mastery model, one of the most powerful and proven models of schooling

A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

Collins Primary Literacy Pupil Book 6 features fiction from Anthony Horowitz and Lemony Snicket, poetry from Ted Hughes, and exciting non-fiction from Roald Dahl and more.
