Knight Of A Trillion Stars

Knight of a Trillion Stars is the first book in the 'Matrix of Destiny' Series by Dara Joy. As the book begins, our heroine, Deana Jones, is having a super rough day. She loses her job, sits in (what may be) urine on the train ride home, gets caught in a traffic jam-- which leads her into a junk shop where she buys strange piece of jewelry-- to finally make it home and find an alien chillin' in her house.

What was one of the most memorable moments of Knight of a Trillion Stars? Most memorable moment was the death of the microwave! So many others but just to witness a handsome man in full battle stance to take down a microwave....I think I would have peed myself laughing had I been the main character.

Matrix of Destiny Series by Dara Joy

Knight of a Trillion Stars was my second read by Dara Joy and the first in her Matrix of Destiny series. Having read and loved her stand-alone historical romance, Tonight or Never, I was really looking forward to this novel, and for the most part, I'm happy to say it lived up to my expectations. When I finished the book, I was left somewhat undecided as to how to rate it, but eventually settled on four stars.
