MELT WITH YOU is a standalone read with a HEA. The backdrop is Alaska in the winter. It almost makes you cold to read about the snow and the conditions. I really enjoyed this story. Max and Harlow met a year ago and had one night of set the sheets on fire sex. This story almost singses your Kindle.

If you want to melt metal, you need to find a way to apply a lot of heat to it. This can be done either with a foundry or a torch. With a foundry, the metal can be melted into a liquid that you can then mold into whatever shape you like. With a torch, you can melt through metal and cut it into a variety of shapes.

Modern English - I Melt With You Lyrics | MetroLyrics

You ought to conduct yourselves in holiness and godliness 12 as you anticipate and hasten the coming of the day of God, when the heavens will be destroyed by fire and the elements will melt in the heat. 13 But in keeping with God's promise, we are looking forward to a new heaven and a new earth, where righteousness dwells....
