The National Industrial Security Program Operating Manual (NISPOM) is the Department of Defense's instruction to contractors of how to protect classified information. The NISPOM addresses a cleared contractor's responsibilities including: Security Clearances, Required Training and Briefings, Classification and Markings, Safeguarding Classified Information, Visits and Meetings, Subcontracting, Information System Security, Special Requirements, International Security Requirements and much more. It's not just for the FSO. Every Cleared employee should have a copy. Red Bike Publishing has published a book store quality NISPOM. A sleek new professionally designed cover adorns our product. Red Bike Publishing has added a professional edge to the NISPOM for about the same as it costs to print your own. Our publisher quality books have crisp writing that is refreshing to read.

Spain often conjures up a picture of rapacious conquistadores, fiery flamenco dancers, and brilliant artists. How closely does everyday life in modern Spain conform to these dramatic stereotypes? Culture Smart! Spain explores the complex human realities of contemporary Spanish life. It describes how Spain's history and geography have created regional differences, shared values, and attitudes, and reveals what the Spaniards are like at home and in business, how they socialize, and how to build lasting relationships with them.
