I haven't run across a better book for my students to practice
their listening with. It uses actual NPR and other radio
network shows for listening practice, and has great exercises
for vocab development. For advanced students only.
However, I'd recommend the other NorthStar books for

The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series.
