Ramtha: The White Book Review!

This was the first Ramtha book I read after I read State of Mind by JZ Knight. This book will open you up to enlightenment & make you cry from spiritual truths, because your inner soul knows his teachings to be valid. This is not a book that you can borrow from the library. However, The White Book, is a book you should feel privilege to own! Ramtha, thank you for delivering your messages to me... So be it!
