Bring a family of four to an NBA game today, and it costs around \$500 to watch a bunch of seven-footers take bad shots. Perhaps the quote often attributed to P.T. Barnum is true--there really is a sucker born every minute. The NBA is in trouble. And as NBA agent Keith Glass describes it--he's part of the problem! If team owners are willing to throw millions of dollars his way for marginal players, why should he be the only one with the self-restraint to say "no"? In his insightful, funny, and often mind-numbingly bizarre tales of life in the NBA over the last twenty-five years, Keith Glass lets it fly from half-court. He'll tell you how we got to the present state--where an agent who makes millions off the game

Download Free Taking Shots Tall Tales Bizarre Battles And The Incredible Truth About The Nba

can't sit through one; why our NBA stars couldn't capture Olympic gold; and why the game he loves is in dire need of help. Glass has seen it all as the representative of players like Mark Eaton, the seven-foot-five center found working as a mechanic because he hated basketball; Mahmoud Abdul-Rauf, who converted to Islam and brought the wrath of the league upon him when he refused to stand for the National Anthem; and first-round draft pick Quincy Douby, who was forced to enter the draft before graduating from Rutgers because of the harsh NCAA rules regarding college eligibility. With informative chapters such as "How to Feed Your Family on Only \$14 Million a Year," "Eighty-one Feet of White Centers," and "From 6'11" to the 7-Eleven," Glass shatters the myth of NBA marketing: that everything about the game is great, and that as long as the fans in the luxury boxes are happy and weighed down with expensive merchandise, all is well. But have no fear! Keith Glass doesn't preach about the evils of highlight film slam-dunks—he'll just have you falling down laughing as he flagrantly fouls the league that was once the envy of the pro sports world.

The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball_ amateur, professional, men's, women's, Olympic, domestic, and international_ from its invention in 1891 by Dr. James Naismith through the present day. This is done through a chronology, an introductory essay, an extensive bibliography, and over 600 cross-referenced dictionary entries on the people, places, teams, and terminology of the game.

Every spring, thousands of ball players across the country step back to the nineteenth century to play vintage base ball using the equipment, uniforms, rules, and customs of the game's early years. A unique combination of athletic contest, living history, and outdoor theatre, vintage base ball transports players and spectators alike to that fascinating and innocent time when athletes gathered on the diamond for recreation, exercise, and pure enjoyment. This lore-laden how-to provides all the information needed to play this entertaining, educational, and fast-growing game and to present it properly to the public, covering everything from historically accurate equipment and etiquette to the rules of play and game-day preparations.

The National Basketball Association used to be a unified league featuring high powered teams with great players who put on explosive shows night after night to the delight of their admiring fans. The league featured great stars like Wilt Chamberlain, Bill Russell, Elgin Baylor, and Jerry West who consistently displayed offensive versatility as well as defensive prowess. The NBA of some 50 years ago had no more than six or eight teams, but all of them were highly skilled and explosive. But today the NBA has fallen on hard times at least in the artistic sense. In his new book *How Sweet It Was: And How the NBA Can*

Download Free Taking Shots Tall Tales Bizarre Battles And The Incredible Truth About The Nba

Return to Greatness, writer Joe Delmore outlines what made the league great and how it has fallen from those graces. He pays particular attention to the overpaid athletes, coaches with no authority, and selfish players with poorly developed basketball skills. The media, particularly cable television, shines a constant spotlight on these overcompensated athletes. In his new book, the author outlines several concrete steps that should return professional basketball to a semblance of its former glory. Players will receive better training and more classroom exposure, and contracts will be limited by their very nature. The author also outlines steps on how to improve the coaching profession. If these measures are undertaken, a revitalized NBA will take shape, and fans will gain a new appreciation of the game.

Tall tales of weird wonder and ten-gallon terror, from grizzled outlaws Jackson Lowry (Great West Detective Agency), C, Courtney Joyner (Shotgun), Scott S. Phillips (Squirrel Eyes) and Axel Howerton (Hot Sinatra), alongside furious fiction from young guns like R. Overwater, Allan Williams, Grady Cole and Craig Garrett. TALL TALES OF THE WEIRD WEST only from Coffin Hop Press!

An account of the NBA from 1956 to 1966, after the introduction of the 24-second shot clock, highlights those who dominated the sport during its "glory days," including Red Auerbach, Wilt Chamberlain, and the Boston Celtics.

While many lionize Billy the Kid, the man who killed him, Sheriff Patrick Floyd Garrett, has a rarely told but riveting true story all his own. His adventurous life spawned many a far-fetched, exciting legend. In 1896, Garrett's investigation of the still-unsolved murder of Albert J. Fountain on the White Sands led to nothing but a gunfight and a dead deputy. Some say that Garrett faked the details the night the Kid was brought to ultimate justice, while others swear another wannabe hero did him in. In perfect irony, Garrett's own 1908 death is shrouded in mystery. Some report he died by the hand of Billy the Kid himself. Author John LeMay exposes fabricated tales for what they are and focuses on memories long forgotten about Billy the Kid's personal grave digger, Sheriff Pat Garrett.

"A great exposé . . . that humorously captures the many myths that Americans are willing to believe and that make up the tapestry of the Old West." —Former Representative Morgan Nelson While many respectable books on Billy the Kid aim to demystify his illusory life, this one-of-a-kind collection proudly has no such intention. Find all of the untold and potentially true—but very unlikely and highly embellished—stories of the Kid's life, death and enthralling life thereafter. Be thrilled by sightings

of Billy's ghost riding through old Fort Sumner and marvel at his search for the fabled Lost Adams Diggings. Wonder at the mysterious thefts of his tombstone and discover the famed desperado's dozen or so doppelgangers who posthumously popped up all across the Southwest. Courtesy of yarn-spinning raconteurs of yore, author John LeMay unveils the many forgotten and discarded tales of the legendary William H. Bonney, an everlasting emblem of the American West.

The FREAKY comic world collides with three FEARLESS kids in an explosion of fun, action, laughs and adventure! Simon Moss is just an ordinary boy who loves action comics and wishes he were brave enough to star in one. Mossy is a gifted storyteller though and his best friend Whippet is a prolific, imaginative artist who is also fanatical about comics, the really freaky ones. It's up to the world's coolest girl, craftiest inventor and smallest explorer - Lucy Shufflebottom - to kick the boys into gear as they hunt the mysterious shadowy beast that has kidnapped Mossy's younger sister. Can they track down the monster? And what exactly is it, anyway?! A magical, hilarious and highly-illustrated adventure perfect for fans of TOM GATES and DORK DIARIES
