Grand Moff Tarkin. An ambitious, ruthless proponent of military power, Wilhuff Tarkin became a favorite of Supreme Chancellor Palpatine and rose rapidly through the Imperial ranks. Shortly after the Empire's creation, he was put in charge of the construction of the Death Star. Tarkin saw the Death Star as a way to crush all dissent to the Empire's rule -- fear

of the station's planet-killing superlaser would keep the galaxy's star systems in line.

Governor Wilhuff Tarkin's guidance, an ultimate weapon of unparalleled destruction--the so-called Death Star--moves ever closer to becoming a terrifying reality. Until then, insurgency remains a genuine threat. Guerrilla attacks by an elusive band of freedom fighters must be countered with swift and brutal action--a mission the Emperor entrusts to his most formidable agents: Darth Vader, the fearsome new Sith enforcer, and Tarkin, whose tactical cunning and cold-blooded efficiency will pave the way for the Empire's supremacy--and its enemies' extinction. A NEW DAWN Foreword by Dave Filoni "A story with pacing and dialogue that feels like classic Star Wars."--Nerdist Ever since the Jedi were marked for death, Kanan Jarrus has devoted himself to staying alive rather than serving the Force. So when he discovers a conflict brewing between Imperial forces and desperate revolutionaries, he's not about to get caught in the crossfire. Then the brutal death of a friend forces him to choose between bowing down to fear or standing up to fight. But Jarrus won't be fighting alone. Soon he is joined by Hera Syndulla--a mysterious agent provocateur with motives of her own--in challenging the Empire for the sake of a world and its people.

Commander Ellian Zahra has been tasked by the terrifying Darth Vader with the job of tracking down the remnants of the Rebel Fleet, scattered across the galaxy since the Battle of Hoth. From the bridge of her flagship, the Tarkin's Will, her goal is to eradicate all resistance. But her secret goal is to destroy Leia Organa! COLLECTING: STAR WARS (2020) 7-11

Darth Plagueis, a Sith Lord who knows the Dark Side so well that he has power over life and death, joins forces with his apprentice, one-day emperor Darth Sidious, to try to dominate the whole galaxy. Movie tie-in.

In war, no one is safe. War has come to Thornstone, Tarkin ' s Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

Writer Greg Pak (WEAPON H and WEAPON X) teams up with artists Chris Sprouse (BLACK PANTHER) and more to tell stunning adventures starring the greatest heroes from the original Star Wars film trilogy. Ventress, Jabba the Hutt—all under the shadow of Darth Vader! Fans will be excited to discover these creepy stories by fan-favorite writer Cavan Scott, with art by the greatest talent from across the galaxy, including Nicoletta Baldari, Nick Brokenshire, Francesco Francavilla, Kelley Jones, Megan Levens, and Charles Paul Wilson III!

Two years have passed since Jacen Solo, seduced by the dark side and reanointed as the brutal Sith Lord Darth Caedus, died at the hands of his twin sister, Jaina, Sword of the Jedi. For a grieving Han and Leia, the shadow of their son's tragic downfall still looms large. But Jacen's own bright and loving daughter, Allana, offers a ray of hope for the future as she thrives in her grandparents' care. And when the eager, inquisitive girl, in whom the Force grows ever stronger, makes a curious discovery aboard her grandfather's beloved spacecraft—the much-overhauled but ever-dependable Millennium Falcon—the Solo family finds itself at a new turning point, about to set out on an odyssey into uncertain territory, untold adventure, and unexpected rewards. To Han, who knows every bolt, weld, and sensor of the Falcon as if they were parts of himself, the strange device Allana shows him is utterly alien. But its confounding presence—and Allana's infectious desire to unravel its mystery—are impossible to dismiss. The only answer lies in backtracking into the past on a fact-finding expedition to retrace the people, places, and events in the checkered history of the vessel that's done everything from making the Kessel Run “in less than twelve parsecs” to helping topple an evil empire. From the moment the Falcon broke loose from a Corellian assembly line like an untamed creature with a will of its own, it seemed destined to seek out trouble. It wasn't long before the feisty YT-1300 freighter went from shuttling cargo to smuggling contraband. But it's a fateful rendezvous on Coruscant, at the explosive height of the Republic/Separatist uprising, that launches a galaxywide cat-and-mouse game whose newest players are Han, Leia, Allana, and C-3PO. And they're not alone: Crime lords, galactic pirates, rogue politicians, and fortune hunters alike loom at every turn of the quest—each with his or her own desperate stake in the Millennium Falcon's most momentous mission. Through the years and across the stars, from the Rim worlds to unknown points beyond, the race will lead them all to a final standoff for a prize some will risk everything to find—and pay any cost to possess. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

New York Times bestselling author Beth Revis brings to life the early adventures and heartbreaks of the heroine of the smash hit movie *Rogue One: A Star Wars Story*. When Jyn Erso was five years old, her mother was murdered and her father taken from her to serve the Empire. But despite the loss of her parents she is not completely alone—Saw Gerra, a man willing to go to any extremes necessary in order to resist Imperial tyranny, takes her in as his own, and gives her not only a home but all the abilities and resources she needs to become a rebel herself. Jyn dedicates herself to the cause—and the man. But fighting alongside Saw and his people brings with it danger and the question of just how far Jyn is willing to go as one of Saw's soldiers. When she faces an unthinkable betrayal that shatters her world, Jyn will have to pull the pieces of herself back together and figure out what she truly believes in...and who she can really trust.
