Country girl Cal has been kept a secret her entire life, raised in isolation by two very troubled people. Despite her parents' disturbing fits, Cal is perfectly content, living at one with the nature that surrounds her, and finding adventure inside the pages of her beloved books. When an awful tragedy tears her away from her remote cabin in the woods, nothing she's ever read in a book has prepared her for a world that she knows very little about. Girls and motorcycles are what bad-boy Cal's life is all about. Brought up in a raucous party house by his biker brother, he's free to do as he pleases, going through the motions on his final days of high school. Aimless, Cal stopped thinking about his future a long time ago. Attacked by a gang of thugs while running an errand for his brother, Cal is in serious trouble until a fierce girl appears out of nowhere to intervene. She chases off three grown men, sparing Cal a brutal beating before disappearing into the night like a spirit. He can't stop thinking about his mysterious rescuer, and when she turns out to be the weird new girl at school who goes out of her way to avoid him, he can't contain his curiosity. He's never met anyone like her before, and the more he learns about the unusual girl who shares his nickname, the more he wants to know. Cal can't help falling for Cal, but can he keep her from falling victim to a dangerous enemy from her parent's tragic past?

If the world is right, then I am crazy. And crazy is dangerous. In a world where nothing supernatural exists, Tess Eckhart is positive she ' s going crazy. After her complete freakout at a high school party, her family is too. So much that they pack their bags and move across the country, next to a nationally-renowned facility for the mentally ill. Tess is determined to fit in at her new school, despite the whispers and stares. But when it comes to Luka Williams, a reluctantly popular boy in her class, she ' s unused to a stare that intense. Then the headaches start, and the seemingly prophetic dreams that haunt her at night. As Tess tries harder to hide them, she becomes increasingly convinced that Luka knows something—that he might somehow be responsible. But what if she ' s wrong? What if Luka Williams is the only thing separating her from a madness too terrifying to fathom?

A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to

its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she 'll never recover. Between her parents ' arguing and the battle she ' s fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn ' t sure a change of scenery will alter anything, but she ' s willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo ' s beach house. Once they ' re settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that ' s when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother ' s dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn ' t want to end her career as a loser. She really enjoys playing, and if she ' s being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she ' s decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. “ A great next choice for readers who have enjoyed Catherine Gilbert Murdock ' s *Dairy Queen* and Miranda Kenneally ' s *Catching Jordan*. ” —SLJ “ Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like. ” —Booklist “ Tessa's ferocious competitiveness is appealing. ” —Kirkus Reviews “ [The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint. ” —The Horn Book

Just before her sixteenth birthday, Brie Eagan dies of a broken heart when her boyfriend tells her he does not love her, and she then must go through the stages of grief, while watching her friends and family try to cope with her death.

In this heart-wrenching tale of love and loss, a young Marine and his best friend's sister plunge into a forbidden love affair while he's home on leave. When a Marine Chaplain knocks on her door, Jessa's heart breaks—someone she loves is dead. Killed in action, but is it Riley or Kit? Her brother or her boyfriend... Three months earlier, Marine Kit Ryan finds himself back home on leave and dangerously drawn to his best friend Riley's sister, Jessa—the one girl he can't have. Exhausted from fighting his feelings, Kit finally gives in, and Jessa isn't strong enough to resist diving headfirst into a passionate relationship. But what was just supposed to be a summer romance develops into something far greater than either of them expected. Jessa's finally found the man of her dreams and Kit's finally discovered there's someone he'd sacrifice everything for. When it's time for Kit to redeploy, neither one is ready to say goodbye. Jessa vows to wait for him and Kit promises to come home to her. No matter what. But as Jessa stands waiting for the Marine Chaplain to break her heart, she can't help but feel that Kit has broken his promise... Riley or Kit? Kit or Riley? Her brother or her boyfriend? Who's coming home to her?

Two missing girls. Thirteen years apart. An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it ' s something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of “ friend ” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn ' t always fit into easy-to-manage boxes, and it ' s this messy complexity that makes life so rich and beautiful.
