This is a book of my opinions on many and various matters, with a biography and brief genealogy. Some subjects among my opinions are royalty, movie and book preferences, college sports, academia, and gun control. There is a list of my 80+ books and monographs.

The sixties were possibly the greatest decade of last century – an exciting time for music and youth. No other youth culture has personified this more than the Mods, who emerged in the early years of the decade as followers of fashion and soul music and who became the style leaders for this new youth culture. This lavish pictorial history contains over 150 photographs of the original Mods, celebrating their thrilling and unique way of life.

Abe Allard and C.S. Duffy are not handsome, wise, or tough. They're not successful. They're not good at much, but they do know how to solve a mystery. A woman digging into the adoption of her long-lost twin brother starts getting close to a long-buried secret which riles up those who would rather it stayed hidden. Fearing for her safety, she asks Abe and Duff to find out what really happened that night, and why would someone be willing to keep this adoption from being brought to light.
