The Secret Lives of Somerset Maugham: Selina
Hastings ...

He was an active spy during World War 1, lived to a very ripe old age with his various "secretaries" (Gerald Haxton was the most beloved, but a scoundrel), made a huge amount of money and died a raving lunatic. His works run to thousands of pages and range from analytical discussions to very entertaining short stories.

Online Library The Secret Lives Of Somerset Maugham A Biography Selina

Like George Orwell, Henry James, and other untrusting souls, W. Somerset Maugham wanted no biography; but unlike them, he provided a lesson in the odium which an indiscreet account of a life can bring by composing his own. Written when he was 88, Maugham's memoir, *Looking Back*, was met by disgust and dismay at the venomous portrait the author drew of his deceased former wife.

The Secret Lives of Somerset Maugham on Apple Books

Despite its tabloid-like title, this book reveals little about the "secret lives" of Maugham. In fact much of it - particularly the early part - is so dependent on Maugham's own writings that it is more of a potted "autobiography" than a biography. Anyone familiar with Maugham's works will find little that is new or of interest here.
