Miriam Akhtar introduces a major breakthrough in the treatment of depression' - Dr Chris Johnston, GP and Action for Happiness campaigner Expert author Miriam Akhtar explains how following the principles of Positive Psychology - cultivating positive emotions - can help you overcome depression and live a happier, more fulfilled life. The book begins by explaining the principles of Positive Psychology, which include savouring positive events, expressing gratitude for everyday experiences we may take for granted, practising meditation, developing optimism and cultivating resilience in the face of difficulties. It then goes on to focus on how these principles can help people cope with one of the most widespread problems in society today - depression. Akhtar explains, in friendly and accessible language, how Positive Psychology can help to prevent depression arising or, if you are already experiencing the blues, how the easy and straightforward exercises can reduce your symptoms and allow the sun to shine on your life once more. Throughout the book she brings these concepts to life by providing real-life case studies that show you how you can work her ideas into your daily routine.

Tagalog is an Austronesian language. It is the language of Manila and the surrounding provinces of Bataan, Bulacan, Rizal, Cavite Laguna, Quezon, Batangas, and Marinduque. It is also spoken widely throughout the Philippines as a second language, with an estimated sixty percent of the population now being able to communicate in this language. Tagalog is the basis of the Philippine national language, Pilipino, and as such is taught in schools throughout the country. In addition to the lessons in this text, there are extensive notes to the teacher, supplementary vocabulary lists, pronunciation drills, and songs.

Michelle Phan has believed in makeup since the first time she was allowed to try eyeliner. When she looked in the mirror and saw a transformed version of herself looking back, she fell in love with the sense of confidence that makeup could give her. Ever since she posted her first makeup tutorial on YouTube, she has dedicated herself to inspire millions by using makeup as a tool for transformation and self expression. Now, Michelle has compiled all of her best wisdom into Make Up: Your Life Guide to Beauty, Style, and Success!Online and Off. From creating a gorgeous smoky eye to understanding contouring to developing an online persona, Michelle has advice to help you transform every facet of your life. Make Up is packed with Michelle's trademark beauty and style tutorials, stories and pictures from her own life, and advice on the topics she is asked about most, including etiquette, career, entrepreneurship, and creativity. From the everyday (such as how to get glowing skin) to the big picture (such as how to turn your passion into a profession), Make Up is a practical and empowering resource to help anyone put their best face forward.

How to Dance With a Duke Manda Collins What's a wallflower to do when she's suddenly in need of a husband? Use all the pluck and moxie she can muster to get what she wants... Miss Cecily Hurston would much rather explore the antiquities of Egypt than the uncharted territory of marriage. But the rules of her father's exclusive academic society forbid her entrance unless she weds one of its members. To clear her ailing father's name of a scandalous rumor, Cecily needs to gain admission into the Egyptian Club!and is willing to marry any old dullard to do it. Lucas Dalton, Duke of Winterson, is anything but dull. He's a dashing and decorated war hero determined to help Cecily!even if that means looking the other way when she claims the dance card of Amelia Snow, this season's most sought-after beauty. But Lucas has a reason for wanting Cecily to join the Egyptian Club: His brother went missing during one of Lord Hurston's expeditions to Egypt. An alliance with the explorer's bluestocking daughter could bring Lucas closer to the truth about what happened...or it could lead him to a more dangerous love than either he or Cecily could have imagined...

Kokology 2 offers all-new insights into the surprising real you. Kokology, the popular Japanese pop-psych quiz game, is now an American bestseller, and Kokology 2 offers more than 50 all-new quizzes, perfect for beginners and experienced kokologists alike. Kokology, the study of kokoro ("mind" or "spirit" in Japanese), asks you to answer questions about seemingly innocent topics -- such as which is the cleanest room in an imaginary house? -- and then reveals what your answers say about you. Play it alone as a quest of self-discovery, or play with friends, if you dare!
