The book opens by spending a long time stating the case for targeting customers based on psychographic drivers rather than demographic data like age group. This is just common knowledge now. And the author gives no practical advice on how to easily define and target segments based on psychographic drivers.

The way he was looking at me right now, the way his eyes raked over my body, the way he tied me up like he wanted to put me on display... I felt like the sexiest woman in the world. He'd pulled my bra down and taken my skirt off, and then pushed my legs open, making it clear he was in control of this whole situation. "Beg me," he demanded.

This book was amazing, apart from two things. Christo and the "rape" scene, and both of these together. Either Christo is really fucked up and has no idea what he wants (title of the book), at first he is all dominant, 99.99% top, then he gets almost brutally "raped" by Damian.

Instant New York Times Bestselling Series An Amazon "Best YA Book of 2020" Glitter Magazine's #1 Pick for "Best YA of 2020" Optioned for Film by Universal My whole world changed when I stepped inside the academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait. ***INCLUDES 3 BONUS SCENES FROM THE HERO'S POV***

MM Romance A Disillusioned Dom A Devastated Sub When Craig walks into the first kink club he's been in for months, the last thing he expects to see is his former Dom, Tim, wearing a collar. If learning his ex is a switch isn't shocking enough, Craig quickly finds himself on the wrong side of his ex's Dom. When the reunion turns ugly, another Dom swoops in and saves the day, and Craig is too shaken to argue when the sweet Dom steps in and takes care of him. Alan noticed the boy the minute he walked into his club. It was hard not to. He was beautiful, sad, and fully clothed. Once the boy is in Alan's arms he knows he doesn't want to let him go, maybe ever. He worries that even though his hardcore Dom days are behind him, his experience will scare Craig and he'll lose the chance to have something real with him. Their relationship quickly heats up, but Craig can't stop wondering if an inexperienced sub will be enough for a seasoned Dom in the long run.

I need to hire a wife. But I only want my assistant. I'm Evan Cook-billionaire tech entrepreneur and widower. Professionally, I've got it all. But since my wife died, my personal life has fallen apart. Remarrying seems like the obvious answer, so I place an ad. I'm not asking for much. The ideal woman only needs to be smart, organized, pretty, and helpful-both in and out of bed-without expecting romance. I never thought to look right in front of me...but it turns out that Nia Wright, my sexy, sassy assistant, just might be the perfect candidate. After an unexpectedly hot night together, I'm ready to stop interviewing strangers and simply marry her. On paper, she ticks every box on my list. Best of all, she's far too sensible to fall for me. I didn't see the flaw in my logic until it was too late. I never thought I'd lose my heart for the first time. And I definitely never imagined Nia could consume me. But she's harboring a secret that could tear us apart. Can I prove I more than crave her before it's too late?

I may have reached my breaking point. As if trying to graduate from a school for supernaturals isn't stressful enough, my relationship status has gone from complicated to a straight-up dumpster fire. Oh, and the Bloodletter has decided to drop a bomb of epic proportions on us all... Then again, when has anything at Katmere Academy not been intense? And the hits just keep coming. Jaxon's turned colder than an Alaskan winter. The Circle is splintered over my upcoming coronation. As if things couldn't get worse, now there's an arrest warrant for Hudson's and my supposed crimes-which apparently means a lifetime prison sentence with a deadly unbreakable curse. Choices will have to be made...and I fear not everyone will survive. The Crave series is best enjoyed in order. Reading Order: Book #1 Crave Book #2 Crush Book #3 Covet Book #4 Court

I have a craving. A dark urge I've failed to resist despite years of trying to do that very thing. I've forced myself to hide behind a mask, a perfect orchestration to hide my true self. After I met her, my wants and needs, my inner most desires changed. She encouraged me to embrace who I truly am, and she was willing to do anything and everything I wanted, giving herself to satisfy my most carnal appetite. Then everything in my carefully managed world came crashing down around me. A moment in time, a loss of control, and the very thing I cherish was nearly taken from me. My fate now lies in her hands. The very life I've built for myself...everything I've ever done now waits in purgatory, all caused by a lack of focus at a time when my most concentrated attention was needed. The very thing I crave may now be the end of me.
